

The Arlington Seniors Association (ASA) is seeking a resident of the Town of Arlington to become president of the Association, starting July 1, 2020. We invite inquiries and requests for more information from persons interested in joining this active organization at the heart of services to the senior population in Arlington and to lead the Board of Directors in its planning and presentation of programs in the next transitional year and in the years ahead in the soon-to-be-renovated Arlington Senior Center. This person works closely with the staff of the Council on Aging in planning educational, social, and enrichment programs in the Center.

This is an exciting opportunity to give back to your community in meaningful ways.

Send indications of interest to Nominating Committee Chair, Lorraine Accardi, 14 Grandview Road, Arlington 02476; 781-643-8158 or Lmacaa79@rcn.com.
